3. Sign into the partner website (if you haven't already).

Once you are logged into the partner website with the same email address, you should have unlimited digital access to that partner website.

Example: If you are a subscriber of the Quad City Times (qctimes.com) and would like to access digital content from the Moline Dispatch (qconline.com), you would first make note of your email address used to sign into the qctimes.com, navigate to qconline.com, and finally create a new digital account using the same email on the qconline.com.

 **Tip:** Be patient. The process that grants access to the partner websites could take up to 30 minutes. Make sure it's been 30 minutes since you purchased your platinum or digital platinum subscription.
