3. Select a Stop Date - this is the date when delivery will be stopped
4. Select a Restart Date - this is the date when delivery will resume

**Note:**

The longest temporary stop that can be setup is 30 days.

5. Select a Paper Option

Save My Papers Until I Return - Select this option if you would like the papers that would have been delivered during your temporary stop to all be saved and delivered on the restart date along with that day's paper.

Stop the Delivery of My Paper - Select this option if you want to simply stop delivery during your temporary stop. Only that day's paper will be delivered on the restart date.

6. Click Temporarily Stop My Paper
